

PROFESSIONALS IN HEALTH CARE & SOCIAL SERVICES: BE MORE EFFECTIVE IN YOUR FAMILY ENGAGEMENT ACTIVITIES!

www.spannj.org

SPAN is your first-stop resource for learning, sharing and connecting regarding the development, education and health of children. We offer training, coaching and consultation designed to improve your practices in working with families.

Professionals in Health Care & Social Services

SPAN helps professionals meet the needs of children, especially from underserved and diverse families.

Benefits of SPAN's workshops:

- Members/families will hear from parents experiencing the same emotions and challenges they face.
- Members/families know how to navigate systems to get what their child needs.
- Staff will gain greater confidence in collaborating with the families you serve.
- Staff will better understand how they can support children with learning and/or behavior challenges
- Staff will know how to collaborate with schools, health care providers and other professionals
- SPAN is a 501(c) 3 non-profit organization

Suggested workshops:

- Understanding ADHD
- Multiple Intelligences
- Advocating for Children with Special Needs
- Addressing Challenging Behaviors
- Health Advocacy

Customizable sessions also available
